

ÉNIGME ①

- BATAILLE DE L'ESPACE

Durant cette bataille galactique, seuls les vaisseaux dont le résultat est compris entre 4 et 30 seront détruits.
Termine ces divisions et entoure le vaisseau qui ne sera pas détruit.

The puzzle features a starry space background with several colorful spacecraft. Each spacecraft is connected to a division problem by a dashed line of the same color. The division problems are:

- $50 \div 5 =$ (connected to an orange rocket)
- $25 \div 5 =$ (connected to a blue and white jet)
- $90 \div 3 =$ (connected to a white and red spaceship)
- $60 \div 4 =$ (connected to a blue and white jet)
- $75 \div 3 =$ (connected to a blue and white jet)
