

The Belfast Barge Museum

The first floating visitor attraction of the city - located a few minutes away from the city centre on the river Lagan - gives tourists a chance to discover the history of maritime heritage and industrialisation of Belfast at the end of the 20th century. The barge offers different activities - conventions, concerts, movie screenings - humorous evenings - but also a restaurant from which you can enjoy a wonderful view.

BELFAST

Welcome to a wonderful city to visit !

St George's Market

Built between 1890 and 1896 this covered market is one of Belfast's oldest attractions and best markets. It serves excellent fresh produce – as for instance cheeses, fish and meats – but also tasty food and high-quality items as many shopkeepers in stalls offer handmade products, items of pottery... It is a wonderful area where the atmosphere is great for you to relax and take advice from local merchants about what to buy. St George's Market also turns out to be a venue hosting music and gastronomy festivals.
