

ESTIMER DES CONTENANCES

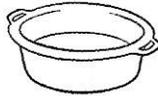

① Entoure de la même couleur le dessin et l'étiquette qui lui correspond.

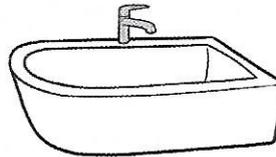

900 L

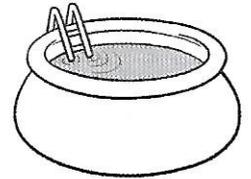

5 L

1 L

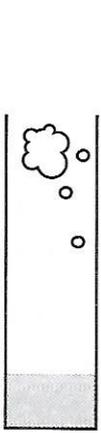

300 L

25 L

COMPARER DES CONTENANCES

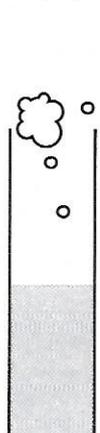

② Numérote ces éprouvettes de potion magique de la moins remplie (1) à la plus remplie (8).

A

B

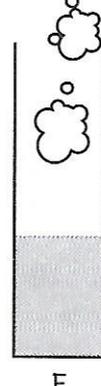

C

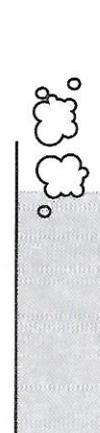

D

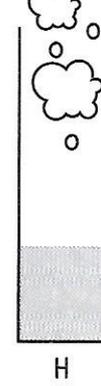

E

F

G

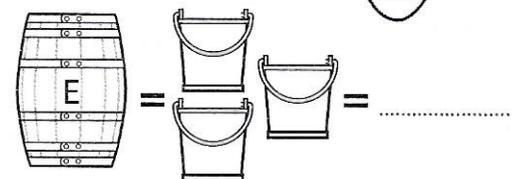

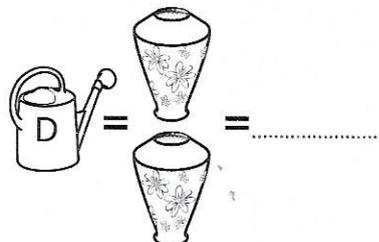

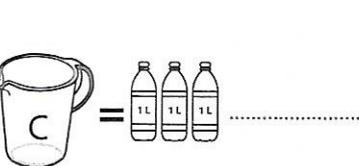

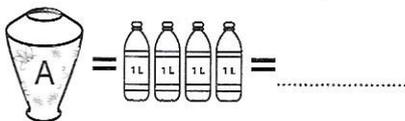

H

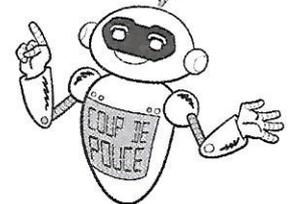

MESURER DES CONTENANCES

③ Trouve la contenance en litres de chacun de ces récipients. Colorie en bleu celui qui a la plus grande contenance et en vert celui qui a la plus petite.

Pense à utiliser les réponses des récipients A et B pour trouver les contenances de D et E !

Quel est la contenance totale des récipients B, C et E ?

..... + + =
