3

Concentrate on words you understand and **pick out** information about this person:

<p>Identity of the person: name, date and place of birth, nationality, job</p>	
<p>Early life and studies: about their parents, school</p>	
<p>Important life events & career: important date, the reasons the person is famous</p>	
<p>Other details: awards? Death? Popular books or films?</p>	

4

You work for a radio: **record** a podcast about the person you have selected. Present that person and give details about her/his life. **Use connecting words:** **First, secondly, then, because, but, so, finally, to conclude**
