

Script audio document Adventure holidays in Australia

Hey, I'm Helen. I'm English. Last week I was on holidays. I travelled to Australia. It was so cool! First, I took a long flight. I visited my best friend who lives there. My best friend rented a van, as we wanted to have some adventurous holidays. On my first day, I went tree climbing with my friend. It was unforgettable! We had a good laugh. I couldn't climb down the trees. Then we went bungee jumping. I was so scared! In the evening we decided to go to the beach as we decided to walk near the water. One evening, we went to a **daring*** restaurant where you can eat insects like **fried worms*** and **grasshoppers***. However, I didn't eat **ants*** as they didn't have any. Finally, I didn't have enough time to go scuba diving in **The Great Barrier Reef ***. Maybe next time!

Daring: audacieux

Fried worms: vers frits

Grasshoppers: sauterelles

Ants: fourmis

The Great Barrier Reef is the world's largest coral reef system. it is located in the Coral Sea, off the coast of Queensland, Australia.
