

## Script compréhension orale audiolingua Kelsey's summer jobs

Hello, my name is Kesley. I'm from the United States. I'm American.

In the summer, when there is no school, I have a summer job. Sometimes, I have several summer jobs. I like to swim and I am a good swimmer, so sometimes I teach swimming in the summer. I teach all ages. Some of my students are only 2 years old, others are in elementary school and some are adults. I like to teach swim lessons. I also baby-sit in the summer and sometimes I am a camp councillor at a summer camp.

The camp is in the mountains. It is a camp for girls only. It is a sleep away camp. This means that we stay at the camp for several weeks without going home. We even sleep at the camp. We eat there too. My favourite camp foods are **S'Mores**, a sandwich made of chocolate, marshmallows and Graham crackers, and peanut butter and jelly sandwiches.

Visit this web site to find out about **S'mores**
