

ART PROJECTS FOR KIDS

Circle Grid Tree

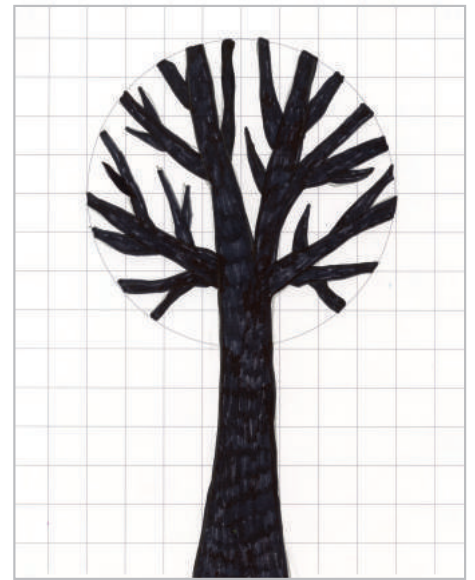

SUPPLIES: Grid page (see page 2), black marker, crayons (the more colors, the better).

1. Start the drawing of the tree with a Y shape.

2. Draw large and small branches, stopping at the edge of the circle. Add short branches.

3. Fill in the tree with the black marker.

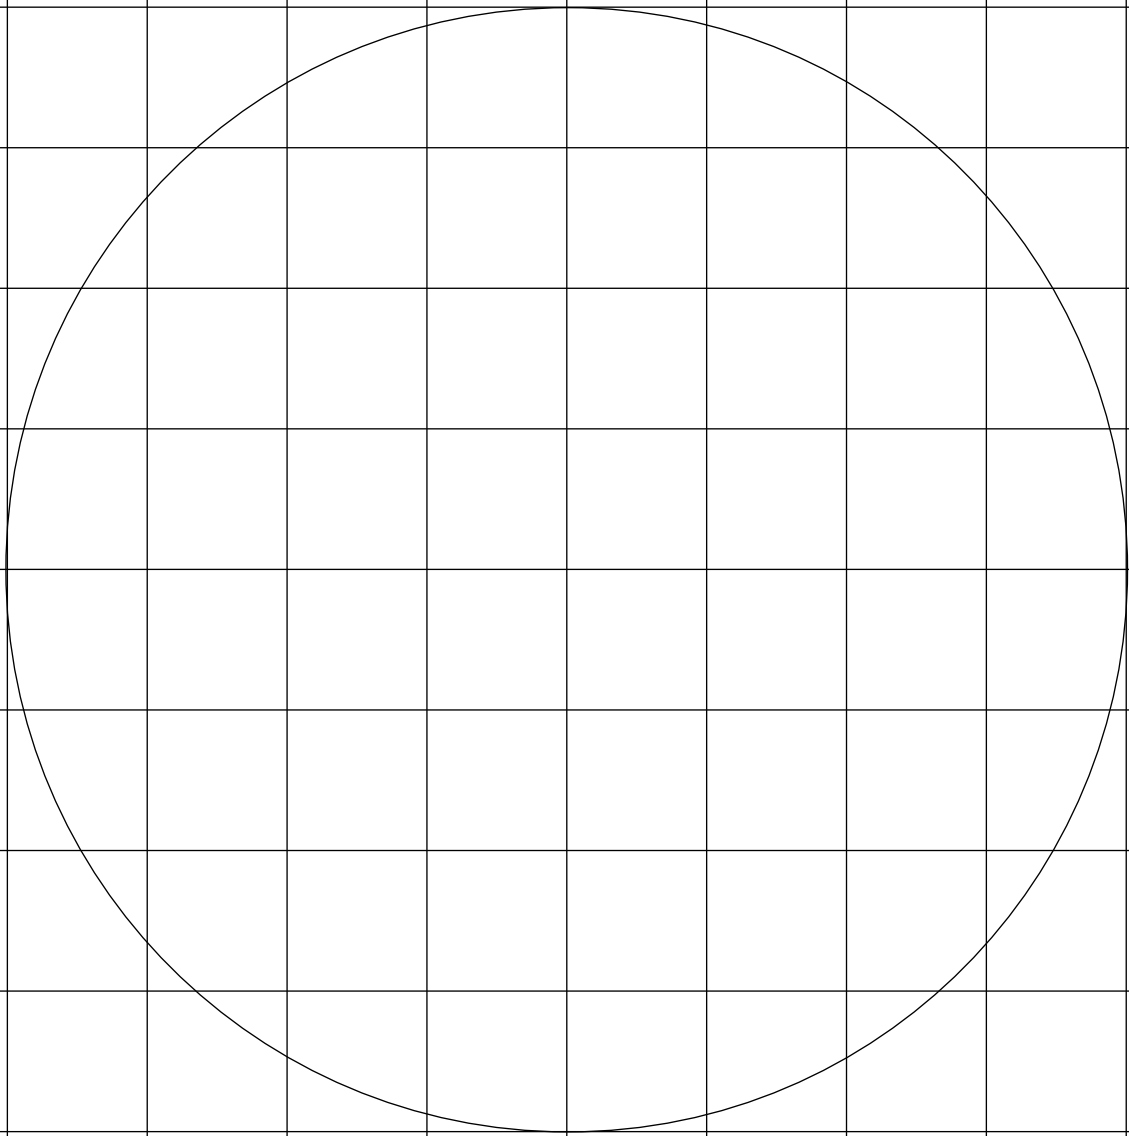

4. Fill in the circle with warm colored crayons. You can do a checker pattern by coloring each square at a time, or just fill in solid rows to speed things up.

5. Color the bottom squares with various shades of green.

6. Fill in the sky with various shades of blue.
