

How Raven created Man...

1. Read the whole text carefully, at least twice, and look up the words you don't understand and that hinder your reading. Make a list of them.

2. Here is a list of the things that Raven created. Put them back in the right chronological order

fish- man - mountain sheep – world – bear – woman – waters - mountains – birds

3. Look at the question and the answer:

How did Raven change from bird to man?

⇒ BY pulling his beak above his head

Now, use the same structure to answer the following questions:

a. How did Raven create the world?

.....

b. How did he first feed man?

.....

c. How did Raven make the two first mountain sheep?

.....

d. How did Raven bring fish, birds and other animals to life?

.....

e. How did Raven make woman?

.....

f. How did man and woman fill the earth?

.....

4. Now explain how man reacted when he was first created. Then compare him to woman.

.....

.....

5. What shows Raven is wary of man from the beginning?

.....

.....

Analysis

1. What is special about Raven?
2. Does he really create Man?
3. What is the main characteristic of the newly created man?
4. List the successive creations. What are their respective functions?

S + is + for + BVing	S + is meant to + BV)
-----------------------------	------------------------------

5. Do you think the bear would be necessary today?
