

S = Z
(niveau 1) Correction

1) Colorie les dessins si tu entends le son [z] :

5

2) Coche la case quand tu entends le son [z] :

<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	-------------------------------------

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	-------------------------------------

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

3) Recopie les mots dans la bonne colonne :

un magasin - la fusée - un poisson - un visage - un monstre -
un masque

 s et  (s)	 s et  (z)
un poisson	un magasin
un monstre	la fusée
un masque	un visage
