

FAIRE 10

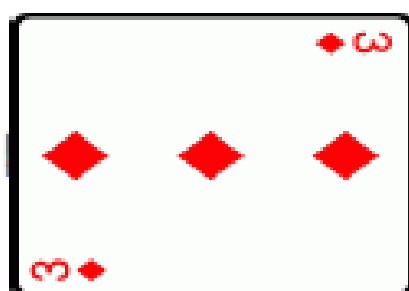

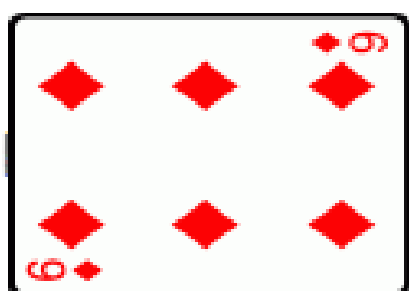

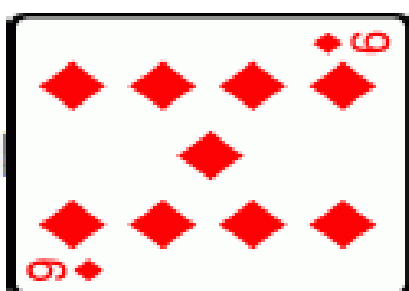

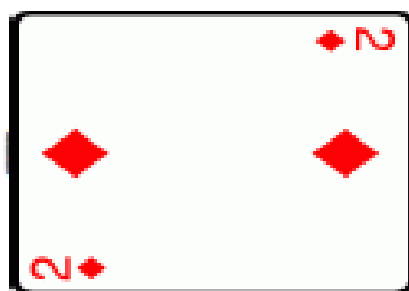

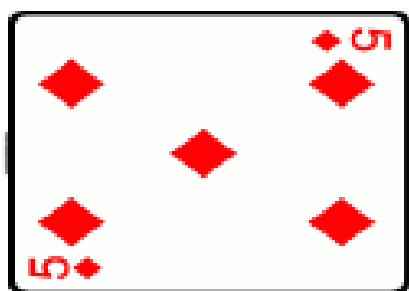

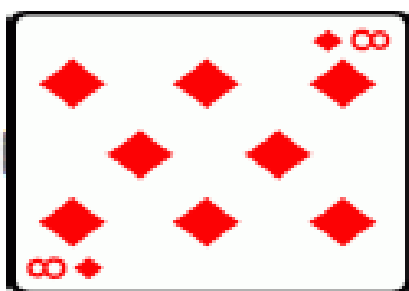

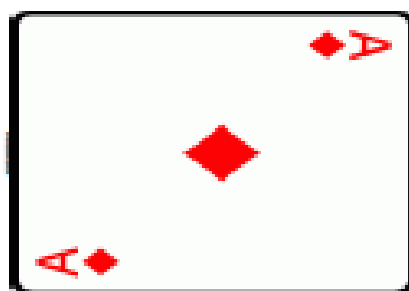

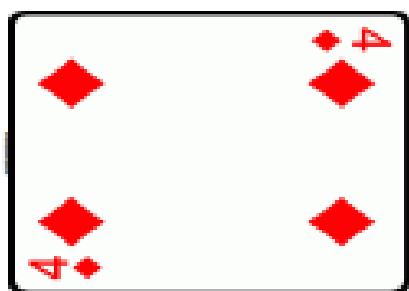

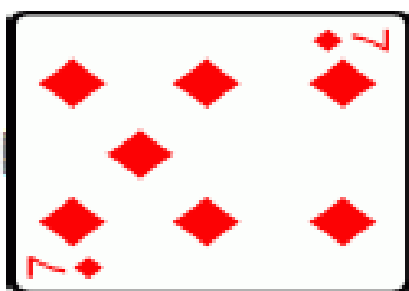

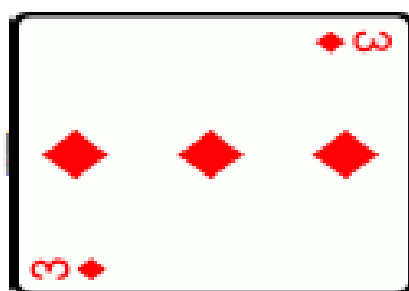

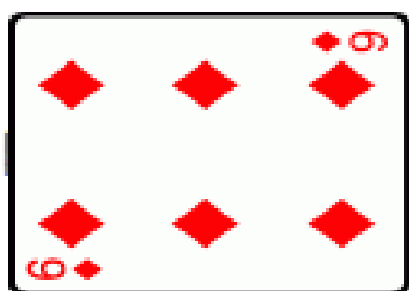

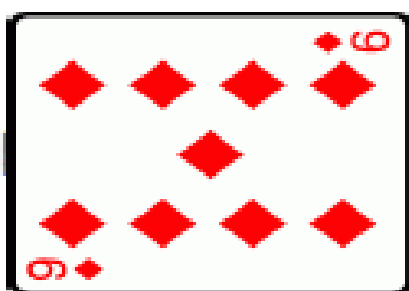

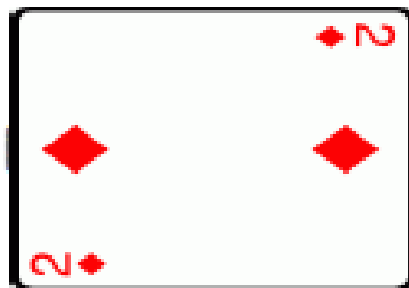

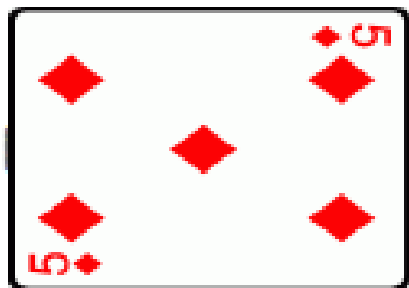

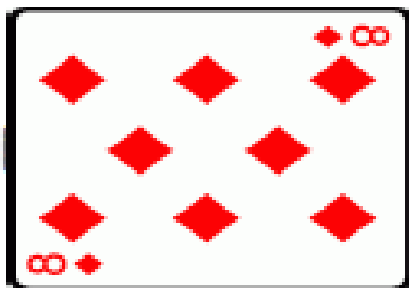

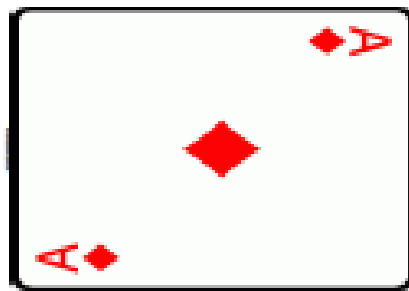

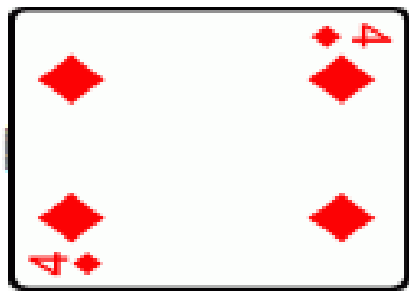

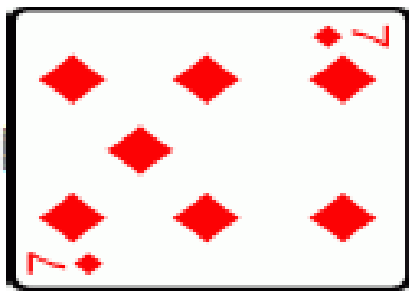

Vous avez 36 cartes à jouer de 1 à 9. Trouvez plusieurs manières de faire 10 en utilisant le plus de cartes possible.

Remarque :

Les cartes utilisées seront les cartes de 1 à 9 d'un jeu classique ou celles de la planche suivante..

Source : rallye maths 95

Remarques : à photocopier deux fois pour avoir les 36 cartes nécessaires

SOLUTION—Série VERTE C1 - NOMBRE ET CALCUL
