Handwriting practice box 1: A large box with two rows of handwriting lines. Each row contains four cursive lowercase 'd' characters. The first two are blue with red dots indicating stroke order. The next two are purple with red dots. The first row also includes three red dots on the middle line for independent practice.

Handwriting practice box 2: A grid of handwriting lines with 10 columns. The first two columns contain blue cursive 'd' characters with red dots. The next six columns contain purple cursive 'd' characters with red dots. The last column contains blue cursive 'd' characters with red dots. This is designed for independent practice.

Handwriting practice box 3: A grid of handwriting lines with 10 columns. The first two columns contain the words 'da', 'du', 'dos', and 'dauphin' in cursive. The last column contains the same words: 'd', 'du', 'dos', and 'dauphin'. This is for independent practice of word writing.
